

Equipment Rental List

Last Updated January 20, 2026

Any gear I have available for rental is listed below. Times are conditional on my not needing it for my own shoots, and are otherwise available upon reservation. Send me an email, SMS, or Facebook message to inquire about availability. Additional discounts are available if you rent multiple items at the same time. I reserve the right to require a paper contract, and the equipment must be returned in the same condition it was rented in. You will be responsible for any costs due to loss or damage while in your possession. Cash or Venmo are preferred payment methods; inquire about any others.
